

# Camaro Firebird Club Declaration

You will need to complete this form every year for each car

## Application for/or Renewal of Conditional Registration

### Historic Vehicle Scheme (HVS) or Classic Vehicle Scheme (CVS)

In applying for Conditional Registration with 'The Camaro Firebird Owners Club of Australia' as my Primary club, I declare that I have read and understood the rules relating to Conditional Registration as per Transport for NSW. By signing this form I accept full responsibility for the operation and upkeep of the vehicle and to act in accordance with all the rules for this special registration scheme.

I warrant that the vehicle for which I seek Camaro Firebird Owners Club of Australia endorsement complies with the Transport for NSW Policy in one of the two following schemes (read Vehicle Standards Instruction (VSI-06) if you are unsure):

Historic Registration is for cars as they came out of the factory or showroom, Classic Registration is for modified cars. If your modified car meets all the requirements under VSI no. 6 you can just present the paperwork, if your car falls outside the requirements of VSI no. 6 you will need to supply engineering certificates.

#### Tick Appropriate Scheme then complete details for each car

**Historic Unmodified** whereby the vehicle has no modifications (that is: as it came out of the Factory / Showroom together with any period options/accessories) which, therefore, qualifies for the Historic Vehicle Scheme (HVS)

Plate number..... if known      Vin Number .....

**Classic Modified** whereby the vehicle carries modifications, listed under VSI-06, which may or may not require a motor engineer's certification dependent upon VSI no. 6 and therefore qualifies for the Classic Vehicle Scheme (CVS)

Plate number..... if known      Vin Number .....

I seek Camaro Firebird owners Club of Australia endorsement and certify that the vehicle qualifies for Conditional Registration for the selected scheme and I agree to maintain and not modify it in this condition while a member of this club. Any modifications will need to be advised to the Club Registrar / Club President within 7 days of modification.

Name .....Membership Number.....

Date ..... Signature.....
